### Message from the Head Teacher

Dear Parents/carers and children,

The weather seems to be changing and set to be a hot weekend and hotter on the following week. Please remember to send your child dressed in light school uniform and with plenty of sun cream, a hat and a bottle of water.

I am so excited about our Summer Fayre. To make this a success we need every member of our school community to come along and bring their extended families with them. It is so important for children to be around school and their teachers when we are 'off duty' because we are able to further build the relationships we have in a fun setting. Please come along – you will even have the chance to splat the head teacher (I'm not sure how this has happened...it must surely be a mistake!)

Reception children had a fun trip on Thursday learning about travel and transport (have you seen the film on facebook?) and Year 1 have been taking part in a recycling art competition. Good luck to them!

With best wishes

*James Biddulph*

### House System

You would have received information about the competition to name the four houses that will form the basis of our house system. The house system will be a feature of all the Avanti schools. How great it would be if one of the names was from Avanti Court.

All you have to do is try and work out 4 really powerful names which will help bind young people together with some identity.

Think of Harry Potter! How would Harry, Ron and Hermione have overcome the evil Voldermort had it not been for their house - Gryffindor!!

Please hand in your competition submission by 15th July.

Be in it to win it!

05-07-13: SUMMER 2

Here Comes the Sun!

We are conducting a Yagya on 17th July to help us on our way as we start our next phase of development. We have 20 spaces for parents to attend. If you would like to attend please complete the slip below, cut it from the newsletter and place it in the communication box which is outside the reception office window. We will pick names out of the box randomly.

#### Request to attend the Yagya

I would like to attend the Yagya on 17th July at 15:30 Location: Avanti Court Primary School

Parent's Name:

Child's Name:

It is not permitted that children arrive at school by themselves or left to come into school alone as this is not safeguarding our children. If you are late arriving to school with your child please bring them to the school office where a member of staff will sign them in and take them to class.  
Thanks, Office Team

"Can you imagine a bare field, vast land with much potential but in need of someone to see the vision of what this could be and plant a tree. The tree is planted by a single seed as the days pass this seed starts to grow and flourish, before you know it you actually have a growing tree with beautiful young leaves that need watering and caring for in order to become strong and bright. This is how I see my journey for Avanti Court Primary School, we have planted the seed, we have watered it, looked over it, watched it grow and know that it is so precious and with much dedication will become a pillar of beauty on this lonely field"

### HOLIDAY FUN HOME LEARNING!

Children will be receiving a task (which is also a competition). They will have to print and cut out a character called Barnaby and then go around with you taking photos. This will be used in their first lessons in September so don't miss out!  
More info to follow in a letter from the teaching team!

Avanti court have commissioned a company called Sherpa kids to provide a tea time club between 3.15-5.15 everyday from 30 September 2013 onwards. Costs will be £8 a day and £15 a day for siblings. If you are interested in consolidating a place for your child/ren please contact Dravit in the main office. Please visit their website [www.sherpakids.co.uk](http://www.sherpakids.co.uk) to see what fun filled learning activities they do.

Next week is meant to be very warm and sunny. Whilst I don't quite believe it, please be prepared to put sun cream on your child, send them to school with a hat and a water bottle. Often children bring frozen water bottles which slowly defrost during the day.
