## SAFETY FIRST!

Drivers, please do not park on the zigzag lines outside school or across neighbours' driveways as this casts the school in a negative light. Most importantly avoid reversing into the school driveway or our neighbours' driveways.

We have asked the Police and the Traffic Enforcement Officers to monitor parking around Avanti.

## WELCOME TO THE FIRST EDITION OF THE TRAVEL PLAN NEWSLETTER!

In this edition you will find lots of useful information about the school's Travel plans and what the school is doing to encourage walking and cycling in order to reduce congestion. I hope you like our Travel Plan newsletter! Please contact Mrs Shrestha for further information.

## WOW, NOT IN A CAR!

Those children who walk, cycle, scooter or use the park and stride car park once a week on a Wednesday will be rewarded with special badges each term. This applies to the whole school. The Junior Travel Plan ambassadors in each class keep track of each child's walking.

You can Park and Stride! There are a number of suitable roads where you can park away from the immediate vicinity of the school. Park and Stride counts towards WOW badges. Please use the Park and Stride car park off of Station Road and keep the surrounding area of our school as safe as possible!

## FUN!

Walking to school is not only good exercise, but it gives you lots of time to talk to your children.

### Games to play while you walk

**I spy with my little eye...**  
Read the sign/number plates, count the cars/lorries. What is that letter on the sign? Which letter comes first/last?

**What's the sound?** Pick a trigger sound, such as a car horn or a bird's chirp. Describe the sound?

## SCOOTERS AND BICYCLES

Children may bring their own bicycles and scooters to school. Avanti Court has two bike racks and a scooter park, which can be used by our children and parents!

## WALK, CYCLE OR SCOOTER WEEK

28th November to 2nd December 2016

Children enjoyed a free hot chocolate drink for the whole week to celebrate walk to school week.
