

AQA teaching order for triple scientists (for current Year 9)
See AQA specification code [8462](#)

Year 9 (From February 2017)

- 9. Chemistry of the atmosphere
 - 1. Atomic structure and the periodic table
-

Year 10 (from September 2017)

- 2. Bonding, structure, and the properties of matter
 - 4. Chemical changes
 - 8. Chemical analysis
 - 5. Energy changes
 - 6. The rate and extent of chemical change
-

Year 11 (from September 2017)

- 10. Using resources
- 3. Quantitative chemistry
- 7. Organic chemistry
