

Summer 2017

Dear Parent/guardian

Year **3-4** chess club at Avanti House will continue in the summer term as usual on Friday's from **2:30-3:30pm**. The first session of the term will be on **Weds 19st April** with the last session being on **Weds 12th July**.

In the spring term, we held our club championships. In addition to this we brought 3 Avanti House teams to the English Primary Schools Chess Association (national school teams event). Our A team managed to finish 1st in the first phase of the tournament, qualifying for the next phase.

For the summer term, children will learn and practice writing moves down as professionals do during games. Lessons will start off as usual with demonstrations, particularly focusing on famous games, opening theory and tactical combinations (thinking several moves ahead). Everyone will continue working on their puzzle books which must be brought along to chess club every week. If your child was previously given a book, then they won't need to be given a new one unless it has been completed. New children will be provided books but if a book is lost or damaged, then you will be liable to pay **£10.00** for a replacement.

Children may bring snacks in the form of fruit or vegetables to the club. Strictly no other snacks can be brought along. No crisps or chocolate!

Fees for chess club this term are **£72.00** equating to **£6.00** per session. Spaces are subject to availability and enrollment will only be acknowledged once payment in full has been made. Cash payments cannot be accepted. Please ensure payment is completed at the start of term! **Note for BACS payments my details have changed and can be found on the form below**. If your child is new to chess club or if any of your details have changed, please complete the form below.

Yours sincerely

Kishan Pattni
