

Literacy

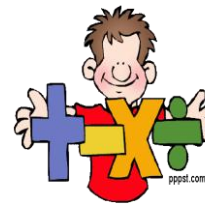

- Summer 1 -Film focus: Inside out (Disney animation)
 - Discuss features and themes in the film
 - Explore approaches made by the film maker
Identifying how colour, light, sound and camera angles have been used to tell the narrative
 - Children work as part of a group to use drama strategies to explore characters in depth.
 - Devise questions to ask the main characters and work in role to explore more complex emotional issues.
 - Demonstrate growing understanding of characters by writing a short conversation at a key point in the film using the conventions of speech punctuation.
- Summer term 2- 'The other side of truth' by Beverly Naidoo.**
- Drawing on reading and research where necessary
 - In writing narratives, children consider how authors have developed characters and settings to magpie good
 - Children improve their writing and skills with a focus on non-fiction and journalistic style writing.
- Continuous work on SPAG: Present and past tense, use of commas, connectives, clauses, changing the position of clauses in sentences.
