

A WEEK AT KAPS

24.06.2016

Year 3 were learning about fractions and were able to make their own fraction museum.

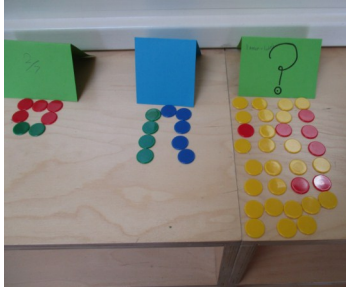

Children went around the class guessing their peers fractions

Ratha Yatra ... Check the Ratha Yatra edition to view photos

Reception 2 are sorting water creatures. They were trying to find out whether they live in the sea or not.

Year 1V enjoyed their weekly mental maths lesson.

Nursery have been looking at changes while making gloop and observing the changes over time.

Reception 1 are practicing their phonics.

Year 6 discussed the EU referendum and had a mini class vote.

Year 5 grew plants in Science. They tested the different conditions some plants can grow in.

Year 4 kirtan group played joyfully to the deities during Ratha Yatra.

Year 2 are learning about the plague.
