

22/04/16

A week at KAPS

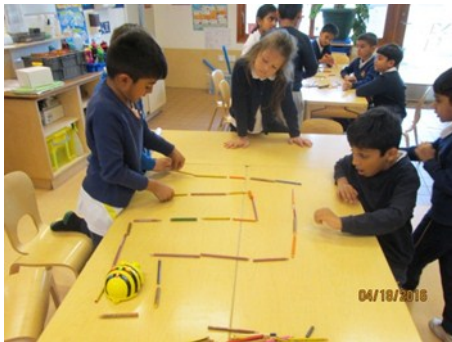

Year 1 are looking at the hedgehogs as they wake up from their hibernation.

Year 5 are using the new laptops to do some cross curricular learning in Literacy.

Here is a sample of the food products made by year 6 in their presentation for 'Help Yourself Day.'

Year 2 are working together in Numeracy to make a path and programme bee-bots to follow the path. They had great fun!

Our eco-councillors planted trees in our school playground.

Year 4 went on a mini beast hunt in the school playground.
