Dear Parent and Carers,

Hare Krishna.

Welcome back. We hope everyone had a great half term holiday.

We return to the last phase of this academic year with many fun events and opportunities for you to join in through volunteering your help and sharing your knowledge. Please speak to your child's class teacher if you can help out.

THE FRIENDS OF KRISHNA AVANTI SCHOOL committee have met twice now to commence planning a fundraising and celebration event on Friday 22nd July. As you can see, this will be on the last day of the academic year and we are hoping that there will be positive support of attendance. It will also be a great way for our Year 6 children to end their time at KAPSH. The committee are currently organising the catering, stalls and games. In addition

to this, each class will set up an enterprising stall. They will be allocated a set amount of money to develop their creative and entrepreneurship skills. We look forward to you helping out and making it a truly happy memorable day for the children. I shall forward further details next week.

"I'll Be There" performance at the Royal Festival Hall on Sunday 17th July 2016

As you know, an exciting performance by our children will be held at the **Royal Festival Hall** on **Sunday 17th July 2016**. The performance is of the Mahabharata and has been composed for The Avanti Schools Trust. As part of the performance, a massed choir of over 100 students from Avanti House School (primary and secondary) and Krishna Avanti Primary School Harrow will accompany this, singing a range of songs from different genres, including drama and dance. This is a fantastic opportunity for students to develop their skills and confidence and perform on a professional stage.

Tickets are on sale at a cost of £10.00 which will be payable through parent pay. I am sure you will agree that this amazing opportunity will remain with our children for many years to come. Please advertise this even to your extended family and friends as it will be a night to remember!

Avanti Schools Trust is a private company limited by guarantee, and an exempt charity, registered in England and Wales under company registration number 07506598 with registered address: Camrose Avenue, Edgware, Middlesex, HA8 6ES.
VAT registration number: 122 8491 20

"Krishna Avanti Primary School, Harrow" is an academy school within the trust, and is effectively a trading name of the trust.

Should you have any questions regarding the performance or ticketing then please do not hesitate to contact the school office.

TWO UNMISSABLE EVENTS IN LONDON

We are aware that the production coincides with the important London Rathayatra Festival. However, both events are important to our schools and we look forward to your support.

THOUGHT OF THE WEEK

VALUES of Self Discipline and Respect

Fasting - The importance of fasting and praying in many different religions around the world

After prayers at collect worship time, our school assemblies will focus on different core values of character formation – respect, integrity, humility, courage, empathy, gratitude and self- discipline. They will relate to our SEAL curriculum, Social, Emotional, aspects of learning too. The values will also be discussed during circle times throughout the week in class. It would be useful if you could talk about this at home too.

SCIENCE WEEK Our special curriculum event was enjoyed by all, where numerous experiments and investigations were carried out both indoors and outdoors. It was also a fabulous opportunity for our vice chair of governors, Mr Kartik Khandwala to spend the morning at school observing the children in their learning and looking at the work produced in the books and displays. In addition to this, our school council representatives enthusiastically interviewed him.

We look forward to receiving the holiday science competition entries this week.

A special award assembly will take place to commend particular children for their effort and contribution throughout the event.

Furthermore, we shall present photographs on the website that captured the spirit of the week.

AND FINALLY... below is an outline of the main events planned for the summer term.
