11th July 2016

Dear Parent and Carers

This week's newsletter extends a warm welcome to our new Reception class families. Last week, they were invited to a formal meeting to explain all the important aspects of school life at Krishna Avanti. On Tuesday, they had another chance to meet the school team and wander around the classrooms.

In September, we are looking forward to our Faith Advisor, Grace Sruti Dharma Prabhu visiting. He will hold a parent meeting explaining the spiritual aspect

of learning and character formation based on the teachings of His Divine Grace A.C Bhaktivedanta Swami Prabhupada.

Rath Yatra Chariot Festival 2016 July 2016

Live streaming from Puri, Odisha. It was a wonderful experience to share with Class 2A a part of the live streaming of Ratha Yatra. The children avidly watched the procession of volunteers and devotees gently pulling the strings of the 45 feet high chariots of Lord Jagannath, accompanied by his elder brother Balabhadra and sister Subhadra. What was truly memorable and uplifting about the experience was when the children spontaneously sang kirtan.

Avanti Schools Trust is a private company limited by guarantee, and an exempt charity, registered in England and Wales under company registration number 07506598 with registered address: Camrose Avenue, Edgware, Middlesex, HA86ES. VAT registration number: 122 8491 20 Please note that the magnificent Festival will be celebrated in London this Sunday.

Today you will receive your child's annual pupil report, their assessments and information about their new class teachers.

The next fortnight at school will focus upon transition. It is an opportunity for our children and school team to prepare and spend time getting to know each other. It is important for the children to have a clear idea of the expectations and routines across the new academic year. We spend circle times and assembly time to ensure that each child feels comfortable about the changes that lie ahead. I will be grateful if you could kindly speak with your child about this matter too. The discussions held should alleviate any anxieties but if they persist please speak with either their current or new teacher in the first instance, or Ms Pandya, Miss Patel or Mrs Gerrald. Remember face-to-face conversations would be the preferred way to communicate. If this is the case please do not hesitate to telephone or email the school office. 'Welcome and Goodbye'... As you would have noticed from next year's class lists, we are welcoming new teachers to our team. A new school year always brings change and this year is no exception and at Krishna Avanti, many of you are used to it and embrace it positively.

Leaving the school are our Year 6 children on the last day of the school year and we will also be saying a fond farewell to the following staff, who are leaving us for exciting new adventures abroad.

The children of KAPSH benefited from the teaching and support of Mrs Borcan and Miss Fernandes. On behalf of the governors, school team and community, we wish each of you both a very successful future and know that wherever you go– there will always be part of you that will be forever Krishna Avanti!

I am delighted to welcome new faces to join our dedicated teaching team. They are Miss Pattni, Miss Nai and Mr Lolea.

You may already know Miss Pattni, who completed her final teaching practice with Year 5 with an outstanding report!

Miss Nai has already worked alongside with me (at a different school) and comes with a wealth of experience. She will also be working in partnership with Miss Ganatra to develop the teaching and learning of all aspects of Literacy.

Mr Lolea has extensive experience supporting children with specific needs.

We are fortunate to have appointed colleagues that come to us with highly complimentary references. We look forward to them making a great contribution to our Avanti team.

YOGA and MINDFULNESS LESSONS over the next fortnight

Key Stage 1 pupil's challenge will be to see who is able to use different types of pranayam to be able to keep to "keep the bubbles in the sky" without using their hands and getting up

from our yoga mat. The important lesson is to understand we are on planet earth; there is gravity that will bring the bubbles from the sky to the ground. The lesson teaches us how to breathe in a proper, regulated fashion by being

mindful of our breath and activities. The children will then listen to a story about being courageous and learn that being courageous is also when we are able to stand our ground for what we believe in, instead of doing things that everyone else is doing.

Key Stage 2 will also undertake "keep the bubble in the sky" challenge using pranayam and the crab pose. Holding the crab poses, children will wait for gravity to bring the bubbles from the sky to the ground. Pupils will then continue adding to their sequence that they have been learning together. They are currently working on a standing sequence.

The children also shared discussions about people in history that have been courageous. The examples that were given from students were: Nelson Mandela, Rosa Parks, Martin Luther King Junior, Mahatma Gandhi, Malala, Srila Prabhupada and Lord Chaitanya. Mrs Hothi talked about Srila Prabhupada and how courageous he was to have gone to America to spread an internal spiritual revolution of the heart by sharing Krishna with everyone. In his late 60s he managed to build over a hundred temples around the world and established the International Society of Krishna Consciousness (ISKCON). This year happens to be the 50th year anniversary of the establishment.

SAINSBURY VOUCHER COLLECTION

I am pleased to share with you that we managed to collect 2,500 school

vouchers. Thank you so much. The school council will be looking through the catalogue and purchasing cooking utensils and items. We are looking forward to undertaking more cookery lessons in our creative kitchen in the autumn term.

SCHOOL UNAUTHORISED ABSENCES

I would like to remind you that the last day of school is Friday 22nd of July. School will commence on Monday 5th September 2016. Please see the website for details.

Following our school policy and procedures, if any child is absent leading up to the summer holiday period without authorisation, will lead to further discussions with the educational welfare officer.

The law does not grant parents/carers an automatic right to take their children out of school during term time. If the request is for an absence in term time permission must be sought in advance. If the circumstances relating to this request are considered exceptional and the absence is authorised by the school, the authorising of the absences will be conditional on the child(ren) attending satisfactory up to the date covered by this request.

Absence from school that <u>will not</u> be authorised:

- Any type of shopping
- Looking after siblings or unwell parents
- Minding the house
- Birthdays
- Resting after a late night
- Relatives visiting or visiting relatives
- Holidays

HELP YOURSELF DAY WE DAY Well done to Year 6 for developing a fantastic enterprise sale day.

The children worked hard in this year- long project that

focuses upon nurturing compassion in young people and gives them the tools to create transformational social change.

Through active citizenship and engagement, the children have discovered the issues they care about and learnt how to take meaningful action to make a difference. The programme has focused on learning goals to develop the skills to succeed academically, in the workplace, and as active citizens.

Thank you to all our families, who purchased something that was handmade by the Year 6 children. All monies received will be sent to Save the Children Charity.

More photographs are on the website

FRIDAY JULY 22nd SUMMER FETE PLANS THE FRIENDS OF KRISHNA AVANTI SCHOOL

It is with disappointment that I inform you that we do not have enough volunteers to help out at our annual event.

I am hoping that many of you will sign up this week to support the occasion by manning a stall for 30 minutes to an hour.

We only have a small active committee (5 parents), who are also feeling dejected.

As parents of the school you are all automatic members of the FOKAS. The FOKAS committee is a dedicated group of people who are actively involved in organising fund raising events. But there is about more than just fund raising. It provides a focus for social events and an opportunity for parents to get to know one another and all stakeholders of the school. It is also an important voice for the parents where ideas raised at the Parent/ carer coffee Open Forums can be considered.

Please think of your child – our children.

The summer fete is to celebrate together, enjoy time together, send our fond farewell to Year 6, as well as raise money for our school.

The children in all classes are already planning and organising stalls that will be run by themselves. It will be a wonderful learning experience with many cross curricular links.

We shall also be holding the following stalls:

Rodeo Bull, Football, Gladiator Duel, Mega Slide, Cricket Batfast, a Photo Booth (Year 6 can take their last ever photos with their friends) And more... Food/drinks Tombola Cake Sale Second hand toys and books Mendhi Face painting Temporary Tattoos Nail art Craft stall

Thank you to those parent/ carers who have already signed up to help.

And Finally... A few reminders as we end the term:

- **Trainers are not school uniform**. We will expect from September all children to be wearing the correct items, colours and styles that are stated in the school prospectus. All items are published on our school website.
- **Dinner Money**: Please arrange to send all outstanding payments to be paid via Parent mail. Having taken advice from our legal support we will be sending out a formal debt collection letters, to those parents who have not paid.
- **BOOKS** We would also like to **have an amnesty on all school books**. Please check everywhere at home, especially under beds where school books have a habit of lurking.
- Well done and thank you to everyone who has returned their library and reading books. If you still have any school books at home please return them!

- **LOST PROPERTY** Please encourage children to look after their clothing and equipment. Remember to go the "Claiming and collection point" at the end of each day outside the Reception Area.
- There are occasions when children bring clothing home which belongs to other children. Could you <u>please return any garments, including shoes to</u> <u>school this week</u>, as lost clothing is upsetting and costly for other families when they have to replace them!
- Mufti Day/ Non Uniform Day will take place on Friday 22nd July.

I look forward to seeing you at some of the events during the last two weeks but in the meantime, as always, if you have any concerns please do not hesitate to contact me.

Wishing you a good week ahead.

Mrs Bindu Rai, Principal
