

Message from the Head Teacher

Dear Parents/Carers,

Our new Reception children have settled in so well. I enjoyed seeing them chatting away, making new friends, playing, learning, feeling already that this is their school. Many thanks to our Reception team who have created such a welcoming environment. Reception parents please remember that doors open at 8.30 and you are invited to come into the class room with your child to find out what they are doing, help them with their morning task, give feedback about their learning at home and talk with the staff.

Year 1 and 2 parents! We will be starting FAMILY FRIDAYS soon. On these days, you will be invited to come into class with your child and help with their morning task, see what they've been up to and share any thoughts with their class teacher. Amy Sivadasan will be letting you know more about this soon.

Please add book week into your diary 4th-8th November- children should come dressed up as an animal on Friday 8th November. The story this year is about a boat, a man, a snake, a fish and a big storm!!

I hope you have a good weekend - there is a Ratha Yatra festival in Ilford which will be a great experience, I'm sure.

With kind wishes James Biddulph, Head Teacher

If, after reading the information on this page and on the

Diwali Blues! It is with regret that we cannot host a Diwali event this year. This is because the hall is part of the construction work. I know you will be disappointed but I hope that we have an even bigger event in the Spring. Holi here we come!!

PARKING PROBLEMS

We know that it is difficult to park in our locality. Please do not park in the Craven Gardens residential space or in Carlton Drive. We have had several complaints from our local community about this – and we want to develop a positive relationship with them. Every complaint takes about 20 minutes to deal with...taking our time away from your children and in ensuring the very best teaching for them.

Happy Birthday to you!!

Parents have asked if they can bring in sweets to celebrate their child's birthday. Unfortunately this is not possible because children suffer from a variety of allergies. However, if you want to celebrate your child's birthday at school, please donate a picture book, or buy a board game (connect 4, snakes and ladders etc) to add to our wet play games. You can also send in fruit.
